## Workforce Info

### Aleneva

Aleneva is an unincorporated CDP and is located on the southern coast of Afognak Island, north of Kodiak Island. Aleneva is part of the Kodiak Island Borough.

- ♦ The estimated population for 2008 was 56, a loss of about 12 since the 2000 Census.
- ♦ About 42 percent of the resident population 16+ years old worked in 2008.
- ♦ Natural Resources and Mining and Local Government were the main industries in 2008, each employing 40 percent of the area's workers.

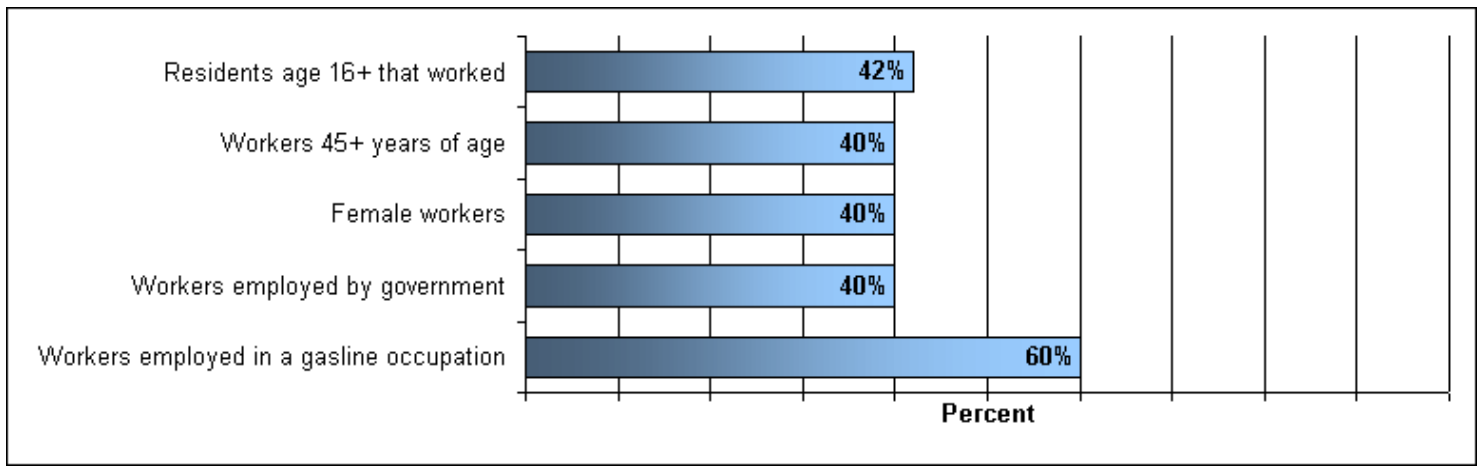

Please note: There is an important distinction between the local/regional employment data and our "standard" employment series. Most of these data reflect totals for area residents only. Total worker counts may be lower than expected in areas with a large number of nonresident workers. The Alaska Permanent Fund dividend file is used to determine the worker's geographic residence. Only Alaska residents (as defined by PFD application) are included in these totals. Also note that federal employees, the military, and the self-employed are not included in these data.
